REGISTRATION PROCESS

You read correctly, mass registration is a distant memory. This past fall, the Winona Park Recreation Department in conjunction with the Winona State University Recreation Department surveyed our participants regarding Mass Registration. Those surveys overwhelmingly indicated that participants did not enjoy our Mass Registration process and a change was needed. Currently, we do not have the capability to take credit card payments, so we went with a Mail-in/Drop off Registration Process. This registration process is for programs only; memberships will be sold separately at the Park Recreation Office. This is a new process, so we ask for your patience. Below are the guidelines for the new process.

On the back page of this guide is the registration form. We ask that you fill the form out completely prior to returning it to the Park Recreation Office. If you need additional forms, they are available in our office.

1. Choose the program(s) you would like to register.
2. Choose an alternate, if you wish, just in case a program is closed.
3. Fill in the registration form completely using the program code information on page 10 & 11.
4. Total your registration form(s) (prices are shown in the program description) and include a check or money order with your form. Please NO CASH.
5. Your registration form can be mailed to the Park Recreation Department or dropped off at our office. All forms must be post-marked by April 23, 2004 or dropped off at our office by 4:30 p.m. on April 23, 2004.
6. You may drop your form in our drop box located in the alley between City Hall and Fortress Bank.
7. Participants will be registered via a daily lottery system. Those that mail-in/drop off their form(s) on 4-12-2004 will be registered prior to those that mail-in/drop off their form(s) on 4-13-2004 and so on and so on. This daily lottery system will be in affect until 4-23-04.
8. The lottery system is done daily. So dropping off your form at 8:00 a.m. on 4-12-04 has the same 'chance' as someone that mail-in/drop off his or her form(s) at 4:20 p.m on 4-12-04.
9. The deadline for Mail-in/drop off registrations will be April 23, 2004.
10. Registrations will be entered into our computer system the week of April 26, 2004.
11. A receipt and registration confirmation along with specific program details will be sent in the mail after all registrations are entered.
12. No registrations will be taken from April 26 – May 7, 2004.
13. Regular Walk-in registrations begin May 10, 2004.
14. Early Bird Fees end May 21, 2004, so register early.
